

Sirona to celebrate the much-anticipated CEREC 25 in Las Vegas

The dental event of 2010: CEREC 25 in Las Vegas. **Sirona** will celebrate together with the computerised dentistry community at Caesars Palace in Las Vegas.

Sirona will stage the much anticipated dental event on the occasion of the CEREC Silver Jubilee. From 26 to 28 August 2010, the world's leading dental CAD/CAM experts will gather in Las Vegas to report on the latest technological trends. The event is expected to attract approximately 2,000 attendees. They can participate in an extensive program consisting of more than 40 lectures and workshops. The event is also considered the "central meeting place" for the "who's who" in the dental CAD/CAM and computerised fields. **DA**
